WC Docket No. 04-_____

Attention: International Bureau and Wireline Competition Bureau

**COMBINED/JOINT INTERNATIONAL AND DOMESTIC
APPLICATION FOR
TRANSFER OF CONTROL**

Pursuant to section 214 of the Communications Act of 1934, as amended (the "Act"), and
sections 63.04 and 63.24 of the Commission's rules, this Application seeks Commission
approval to transfer control of Advantage Telecommunications Corp. ("Advantage") from Sonya

Bly (“Bly”) to Robert Sorrentino (“Sorrentino”) (collectively referred to as “Applicants”). Advantage holds authority to provide domestic and international telecommunications services pursuant to section 214 of the Act.¹ The Agreement provides that Sorrentino will purchase all of the issued and outstanding common stock of Advantage from Bly (the “Acquisition”). The Acquisition will therefore result in the change of ownership of Advantage from Bly to Sorrentino, including control of Advantage’s section 214 authorities.

Advantage is a provider of interstate, international and intrastate interexchange telecommunications services. The customers of Advantage will benefit from the resources and assets of Sorrentino, which will help ensure continuity of service and enhance the ability of Advantage to offer a broader range of innovative products and services to customers. The Acquisition will therefore serve to enhance the overall capacity of Advantage to compete in the marketplace and to provide telecommunications services for a greater number of consumers at competitive rates. Grant of this Application clearly will promote competition in the interstate and international long distance telecommunications markets and will serve the public interest.

I. INFORMATION REQUIRED BY SECTION 63.24

This Application seeks authority to transfer the control of the common stock of Advantage, which holds authority pursuant to section 214 of the Act to provide domestic interstate and international telecommunications service, from Bly to Sorrentino. - (b) Advantage Telecommunications Corp. is a Delaware corporation.
Bly is a person of the full age of majority and a resident of Florida.
Sorrentino is a person of the full age of majority and a resident of New Jersey.
- (c) Correspondence concerning this Application should be addressed to:

- d) Advantage was granted authority in File No. ITC-214-19981023,00731.

Responses (e) through (g) are not applicable to this Application.

- (h) The following are the names, addresses, citizenship, and principal businesses of any person or entity that will directly or indirectly own at least ten percent of the equity of the applicants. There will be no interlocking directorates with any foreign carrier.

Sonya Bly

Address: 3001 Aloma Avenue, Suite 304, Winter Park, Florida, 32792

Percent Ownership: Bly owns 100% of the common stock of Advantage prior to the Acquisition

- (i) Applicants certify that they are not, and following the proposed transaction will not be, affiliated with any foreign carrier within the meaning of section 63.09(d) and (e).
- (j) The Applicants certify that they do not seek authority to provide service to any country described in paragraphs (1) through (4) of section 63.18(j).
- (k) Not applicable.
- (l) Not applicable.
- (m) Not applicable.
- (n) Applicants certify that they have not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses market power on the foreign end of the route and will not enter into such agreements in the future.

- (o) Applicants certify that no party to the Application is subject to a denial of Federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988.
- (p) This international section 214 Application qualifies for streamlined processing pursuant to section 63.12 because the applicants are not affiliated with any foreign carriers; are not affiliated with any dominant U.S. carriers whose international switched or private line services the applicant seeks authority to resell; and do not seek authority to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines. This Application therefore should be granted, pursuant to section 63.12(a), fourteen days after the date of public notice listing this Application as accepted for filing.

II. ADDITIONAL INFORMATION REQUIRED BY SECTION 63.04

This Application seeks Commission consent to transfer control of Advantage, which holds authority to provide domestic and international telecommunications services pursuant to section 214 of the Act. Pursuant to section 63.04(b) of the Commission's rules, the parties submit the following information in support of this Application in response to items 6 through 12 of section 63.04(a):

- 6) As set forth above, this Application seeks Commission consent to transfer control of Advantage from Bly to Sorrentino. As a result of the transfer, Advantage will continue to operate and provide service pursuant to its current authority.
- 7) [intentionally omitted]
- 8) This Application qualifies for streamlined processing under section 63.03(b)(2)(I) because the transferee will have a market share in the interstate interexchange market of less than 10 percent, the transferee will provide competitive telephone exchange services or exchange access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the proposed transaction, and no party to this Application is dominant with respect to any service.
- (9) The parties will file a slamming certification letter with the Commission, if necessary.
- (10) Only standard streamlined processing of this domestic section 214 transfer of control application is sought pursuant to Section 63.03.
- (11) No waiver requests are being filed in conjunction with the transaction.
- (12) As discussed above, grant of this Application will strengthen Advantage as the post-transaction company will become a stronger competitor in the marketplace for interstate

and international telecommunications services. The customers of Advantage will benefit from the Sorrentino's resources and assets, which will help ensure continuity of service and enhance the ability of Advantage to offer a broader range of innovative products and services to customers. Grant of this Application will promote competition in the domestic interexchange and international telecommunications markets and will serve the public interest.

III. CONCLUSION

For the foregoing reasons, this Application respectfully requests that the Commission consent to the transfer of control of Advantage from Bly to Sorrentino.

Respectfully submitted,

Benjamin W. Bronston
